1. Welcome, attendance & apologies:

2. Business arising from last minutes / meeting:

3. Community Strengthening Fund – Community notice boards for Glenmaggie & Coongulla. Application has been successful, \$10,000 for the project. Thanks to Heather for her work

- Issue of stray dogs in community (from Council meeting). Further actions?
- Domain Community Website - John

4. LGCRG Reports:

- Any updates on priority issues
Emergency planning, sewerage, water quality, communications, recreational management, etc

5. Reports from WSC (Helen)

- **Community Emergency Planning** document proceeding well. Tinamba used as a test case, template to be adaptable across all communities.
- Five Groups were successful in the **Community Strengthening Support Fund** and received funding up to \$10,000 for community projects identified by survey/community plan process. Applications were for the construction BMX track, toilet upgrade at Rec Reserve, improvements to Rec Reserve facilities, beautification of town entrances.
- **WSC Community Facilities and Programs Grants** will be out next month – time to start thinking about what is needed.
- **Coastal forum** took place last Thursday evening at Golden Beach, interesting to hear the issues facing the coastal groups, uncertainty re global warming issues very relevant to these communities.
- **CRG Newsletter** due out in next 2 weeks.

6. General Business:

- “Lakeside Newsletter”, second edition, thanks again to David Sullivan for this initiative. Copies emailed to Councilors and those on our email data base from Glenmaggie / Coongulla & holiday home owners
- **Draft Community Plan** – For further revision and feedback, prior to going out to public in draft form.
